

Mulbarton Parish Council

Both The Meadows and The Common play areas have undergone some routine maintenance repairs ahead of the summer holidays. Two items of play equipment have been removed from The Meadows as these were broken beyond economical repair and the council is considering replacement items. If you have any ideas, please contact the clerk.

It was lovely to see so many residents at the Annual Parish Meeting and to hear about the activities, achievements, and future plans of our local groups. So many of you had wonderful ideas about how you could achieve this that has sparked many of the groups to meet again to discuss how to move forward. The Parish Council are keen to take an active role in this group to help meet your needs.

The entrance to the Village Hall, across The Common car park, needs repair. We are working with South Norfolk Council and District Councillors to gain quotes and seek funding. More information will be available on our website once the contractor has been appointed and funding is available.

The Parish Council are looking to recruit a Parish Warden to help with general maintenance of council assets. Please visit our website for more information.

East Anglia Green (Pylons) has been renamed "Great Grid Upgrade, Norwich to Tilbury" and they are holding parish briefings for the public to raise their concerns. Cllr Louis Kaszczak attended one of these briefings and more information can be found on our website.

Mulbarton Parish Council

Many residents complain to us about the traffic in the village. Speed Watch contacted us last year to ask if we could purchase a SAM2 sign. The Parish Council gained full funding for this from Norfolk County Council and County Councillor Daniel Elmer and this is now operating in the village. The data this collects will be shared with Norfolk Police and Highways in the hope this will help all parties understand the issues faced by many residents.

At the time of writing, we have 4 vacancies for Parish Councillors and lots of ideas of how we could better serve our residents. If you would like to contribute, discuss and share ideas and can spare a few hours a month, please visit our website, come to one of our meetings or contact the clerk to find out more.

Below are the remaining meeting dates the council have agreed for 2023. The meetings take place in the Committee Room at the Village Hall and start at 7.30pm. All members of the public are welcome to attend. Agendas are published the Wednesday before the Monday meeting and these are available on the website and notice boards.

- 4 September
- 6 November
- 2 October
- 4 December
