Items on the agenda

Items 1 & 2: Appointment of Chair and Vice-Chair Budget

Adam Banham has stepped down as a Parish Councillor. We thank Adam for all his hard work and support over the past 9 years and wish him all the best for the future.

This leaves the position of Chair vacant and if Dennis Wells is appointed as Chair, this will leave the position of Vice-Chair vacant. The Parish Council is required, by law, to have a Chair but not Vice-Chair.

Item 13.2: Damage to trees at The Meadows

Parishioners have reported deliberate damage to trees at The Meadows. The Parish Council has not been approached to request any permissions to cut trees in this area.
