

Mulbarton Parish Council

Clerk's Report

September 2023

Items not on the agenda (information only)

Strimming has begun around the fruit trees on Oakley Park allotments. Thank you to our councillors who have given up their time to improve the area.

Target Trees will be carrying our maintenance at The Meadows and Orchard Park week of 13 November.

All three new policies agreed last month, environmental, grant awarding and document retention have been published on our website. Please remember that the council are able to support local groups with financial contributions. More information is on our website or contact the clerk to find out more.

The community engagement policy has been amended as agreed and the new version is on the website.

The risk inspection report has been given to Mulbarton Wanderers CIC and the overgrown hedge that impedes on emergency vehicle access route has been reported to the Village Hall Management Committee.

Did you know your Parish Councillors are all volunteers? Between them they have a lot of knowledge and experience that they bring to the Council. They carry out actions, discuss and agree on behalf of Mulbarton residents and are looking for more volunteers who would like to become councillors. If you have an interest in what happens in Mulbarton and you can spare a few hours a month, contact the clerk to find out more about joining us.

This month you have told us about an oak tree overhanging gardens and footpaths at Yesmere. We have investigated this and have been advised the tree is privately owned and therefore is the responsibility of the owner to maintain.

The next Community Hub meeting has been pencilled in for Thursday 19 October. An agenda will be available nearer the date.

Items on the agenda

Item 10.1

The Common car park, near the Village Hall, will be closed from Sunday 22 October and Wednesday 25 October to allow for the entrance to the Village Hall to be resurfaced. There will be no vehicular access to the Village Hall site and Mulberry and Orchard Parks during this time.

Item 13: SAM2 data

We have created an additional page on our website to share the data that is collected. This data will also be shared with other agencies, e.g., Speed Watch, Police, as appropriate.
